

UNITED STATES' STAND CAUSES DISAGREEMENT

NEW PROVISIONAL PRESIDENT ISSUE DEVELOPS INTO A SNAG

United States is unwilling to recognize Man Named to Foreign Affairs Post by Huerta, Who Would by Constitutional Succession be Elevated to Presidency of Mexico.

Niagara Falls, Ont., June 9.—The United States is unwilling to extend recognition to a new provisional president if named according to the method prescribed by the Mexican delegates, which is that General Huerta would appoint as minister of foreign affairs the man who is agreed upon here to head the new government. The Washington administration contends that if General Huerta is permitted to name the foreign minister who by constitutional succession would be elevated to the presidency, even though the selection be made here, such an act would be construed as recognition of the Huerta government. On this issue the mediation plenipotentiaries came to a flat disagreement at a conference held for consideration of the exact method by which the new provisional government of Mexico would be created. For more than two hours the mediators and American delegates argued in vain and it was apparent when the conference ended that what hitherto had been considered a matter of detail had suddenly developed a snag. The Mexican delegates had not discussed the point at any length with the mediators when the latter took it up with the Americans. Although the three South American diplomats argued strongly from the Mexican viewpoint there was good reason to believe tonight that the Mexican delegates would not insist upon this arrangement if they found the United States absolutely determined against it. One of the Mexican delegates insisted that they regarded the form of transition as a technicality which could be dispensed with if the American government found it impossible to agree to the method suggested by the Mexican delegates. The mediators contended with vehemence that the forms of the Mexican constitution should be preserved in the present instance. The American delegates are understood to have pointed out that the constitutionalists certainly would never agree to a plan of transition which legalized Huerta's status. Also the American government, it was declared, could not consistently with its previous course extend what would be tantamount to recognition if Huerta actually appointed his own successor. There is a possibility that a compromise method will be agreed upon.

A point which gave the Mexican delegates much satisfaction was that no war indemnity would be demanded by the United States as a result of the occupation of Vera Cruz. The American delegates plea for delay prevented the mediators from giving out their correspondence with Carranza as they intended.

Expected Carranza to Enter.

Washington, June 9.—Every indication here tonight pointed to some form of participation by the constitutionalists in the mediation conference at Niagara Falls.

Senor Zubaran announced that he had been unsuccessful again in his efforts to get into direct telegraphic communication with General Carranza at Saltillo and that as a result it was probable no word from the first chief in regard to the mediation negotiations would be received before tomorrow. Some of those in touch with the first chief of the constitutionalists insisted that the revolutionary leader would not consent to an armistice in the campaign against the Huerta government but that he would express willingness to acquiesce in peace proposals as they relate to establishment of a provisional government pending a general election, provided ample representation is given to the belligerents against Huerta. Should Carranza refuse a cessation of hostilities it seemed improbable here that his representatives would be received in the mediation conference, but this contingency failed to affect the optimism of President Wilson and Secretary Bryan as to the outcome of the Mexican difficulties.

This was accounted for in great measure by the suggestion from Niagara Falls that, whatever Carranza's answer might be, the peace proposals being discussed between the Huerta commissioners and those from the United States would be incorporated into a protocol that the mediation conference then would recess and that the United States government would undertake negotiations with the constitutionalists with a view to procuring their consent to the provisional government proposal.

While the mediators and Mexican delegates were deliberating today on the peace plan formulated by the Washington government, President Wilson, Secretary Bryan and John Lind, who represents the state department in negotiations with Carranza's representatives here, were in conference. Later Secretary Bryan declared that both the president and himself were very hopeful of participation by the constitutionalists in ultimate plans for peace in Mexico.

It was learned that some of the features proposed by the administration here which differed from the peace plan originally submitted by the mediators and the plans of the Huerta commissioners, related to treatment of the constitutionalists and the belief of administration leaders is that a compromise might be reached which would be acceptable

GENERAL STRIKE PROCLAIMED IN ITALY IS GAINING IN INTENSITY

Resentment of Workmen Fanned by the Killing of Another Striker at Florence—Soldiers and Strikers Injured in Rome.

Rome, June 9.—The general strike proclaimed yesterday as a protest against the repressive measures taken by the government at Ancona Sunday when several men were shot down is spreading and gaining in intensity. The resentment of the workmen has been fanned by the killing of another striker at Florence today. In Rome tonight a thousand strikers tried to march to the Quirinal and came into violent contact with the troops and police, who fired nine volleys in the air before the mob gave way. A large number of soldiers and strikers were injured. The strikers attempted to reform their shattered ranks and another fierce engagement with the police took place before they were dispersed.

In the cities where the strike was in force no newspapers were published. From many parts of Italy come reports of disorders. At Genoa the strikers compelled the storekeepers to close their places of business. At Turin rioters seized two wagon loads of tobacco belonging to the state and threw several cases of cigarettes through the window of a cafe and buried the remainder before cavalry dispersed them.

At Ancona strikers tore up the railroad tracks for a short distance outside this city but the army engineers corps quickly repaired the damage. It is supposed the workmen intended to prevent reinforcement of troops reaching here rapidly.

PLAYMATE TELLS GIRL OF HER BROTHER'S DEATH BY DROWNING

Boy Leads Missing Youth's Father to Spot Where Two Went Down in Hole in Creek Monday.

Waterloo, Iowa, June 9.—When little Agnes Cogan asked Charles Meggitt, a playmate, if he had seen her brother John, the boy replied that her brother had been drowned since Monday morning and if she doubted him, he would show her the spot where her brother had gone down. The child called her father and a hurried trip to one of the creeks leading into the Cedar River was made.

On the bank they found the clothing of two boys, John Cogan, aged 13 and Charles Edwards, aged 11. The informant, who is eleven years old, told the father how Charles Edwards had been wading along the overgrown bank and stepped into a hole. Cogan made an effort to help his companion, but the two of them drowned together. The authorities were notified and have been searching the creek but were unable to locate the bodies.

LEVEES PROTECTING MOJAVE INDIAN RESERVATION BREAK

SAN BERNARDINO, Cal., June 9.—The government levees protecting the Mojave Indian reservation from the Colorado river broke late today according to a dispatch received from a reliable source. A flood swept through a valley and the Indians were forced to flee for their lives. Livestock left behind were drowned. The crest of the flood has apparently passed. Needles but rendered the situation there critical, as it caused the current to shift and eat into the banks.

RATIFIES TREATY WITH U. S.

The subject of ammunition from the United States for the constitutionalists continued a matter of official concern here today, having been discussed at length at the cabinet meeting. The cabinet deliberations resulted in a direct order from Secretary of Commerce Redfield to hold up a cargo of ammunition enroute to Galveston aboard the Morgan liner El Sur for trans-shipment to Tampico.

"KID" WILLIAMS TAKES TITLE FROM COULON

BANTAM WEIGHT CHAMPION IS KNOCKED OUT IN THIRD ROUND

Fight is All Williams' From Start—Coulon Unable to Land Anywhere and is Saved at Close of Second Round Only by Timely Ringing of Bell.

RINGSIDE, VERNON, Cal., June 9.—Johnny Coulon, bantam weight champion of the world lost his title tonight to "Kid" Williams of Baltimore, who knocked him out with a stiff right handed punch to the chin in the third round of their 20-round contest. The fighting was all Williams' own from the start. Coulon seemed to be unable to solve the problem of landing anywhere in the short interval of the first two rounds and was saved at the close of the second round only by the timely ringing of the bell.

The result proved the wisdom of the betters who favored Williams from the start, holding that Coulon's illness that kept him out of the ring a year had robbed him of championship form. The odds on Williams went as high as 2 to 1. At ringside, while no betting was in evidence, it was plain that there was plenty of money placed just before the contest at ten to six.

At the opening of the first round the crowd repeatedly called for Williams to "get in and do it," evidently assured that he was capable of making good his claim to the championship title.

Coulon got in but one really effective blow during the short contest. Toward the close of the first round he managed to reach Williams' face.

Although the champion was obviously outclassed from the beginning, his blow to Williams' countenance elicited uproarious cheers from the crowd.

The fighting was fast and exciting from the start. Williams held the center of the ring and kept Coulon sparring near the ropes. When the former champion received the blow which deprived him of his title he fell heavily under the ropes, within a few feet of Williams' corner of the ring. As Referee Eytan raised the new champion's arm, signifying him to be the winner the crowd rose and cheered lustily. Williams ran around the referee and attempted to assist the ex-champion to his feet. Coulon appeared shaky and scarcely able to walk. As soon as he had gone a step or two he went to his corner unassisted however, and before Coulon reached his corner the seconds of both men had leaped into the ring, followed by other ring officials and several policemen. The latter went to aid of the former champion and drove back the throng which was gathering to see what damage had been inflicted.

A way was opened and Coulon was taken to his dressing room immediately. Williams donned his dressing robe and followed shortly after.

Both boxers had left the ring before a crowd which usually overflows to reach the exits and moved from their seats. For eight minutes work in the ring and taking a beating at the hands of the champion, Coulon received about \$8,000. Before he would agree to meet Williams he demanded a guarantee of \$5,000 which was granted with the privilege of taking forty per cent of the largest seen in Vernon for months and Coulon took the gate percentage. In addition to this he received \$1,000 from the new champion, which was an agreement between the two men.

Besides acquiring the bantam weight title Williams received \$2,500 as his end of the purse.

REPORT THAT ONE HUNDRED DIE IN STORM ON BAY OF CHALEUR

ST. JOHN, N. B., June 9.—More than 100 lives were lost in the storm which swept the Bay of Chaleur on Thursday and Friday of last week according to reports received here today. Advice from outlying places along the New Brunswick and Quebec Coasts of the Bay when received added to this total. The storm caused the greatest number of fatalities in the story of the North shore. Accounts brought in by fishing vessels which lived through the blow estimated the force of the blast at 150 miles an hour at times. Many vessels are known to be lost with their crews.

FIND BODY IN BUSHES.

Saginaw, Mich., June 9.—The body of Albert Sherman, superintendent of the Saginaw Bay City Railway company, was found today hidden in a clump of bushes a mile west of Milwaukee. After a post mortem examination Coroner Alden asserted murder was indicated. There was a severe laceration of the forehead. Sherman is said to have been threatened by men whom he had caused to be arrested for robberies.

MAY PUT LARGE AREA IN "DRY" COLUMN.

Minneapolis, Minn., June 9.—When the United States supreme court reversed the decision of the district court in the so-called Indian liquor cases yesterday the action not only had the effect of declaring "dry" a 15,000 mile section in central and northern Minnesota, but may cause two-thirds of the state, including Minneapolis and Duluth, to be placed in the prohibition column.

CONTINUED HEAT WAVE CAUSES MANY DEATHS AND PROSTRATIONS

Official Temperature in Chicago is 98, One Degree Less Than the June Record—Pittsburgh is Hottest in Forty Years.

Chicago, June 9.—The third day of the record breaking heat wave throughout the states between the Missouri Valley and the Allegheny mountains brought reports of many more deaths and prostrations. In Chicago three deaths and a score of prostrations were reported to the police. The official temperature on the street was 98 degrees, one degree less than the June record. Possible showers and a cloudy sky is expected to bring relief tomorrow.

In Springfield, Ill., the mercury soared to 100 while other points throughout the middle west smeltered under similar conditions. Memphis having an official temperature of 96; Nashville 98; Louisville, 96 and St. Louis 98.

Pittsburgh reported the hottest weather for forty years at this time of the year resulting in four deaths while the toll reported for the day, a girl driven insane and more than a score of prostrations.

High temperatures also prevailed throughout eastern and southern Kansas, Oklahoma and Missouri. The Atlantic seaboard escaped the excessive heat although rising temperatures are predicted there tomorrow.

In the northwest heavy rain storms are reported to have done much damage to farm property.

Much Suffering in Springfield.

Springfield, Ill., June 9.—With the mercury hovering near the one hundred mark today, heat records for the season were shattered and there was much suffering. The intense heat and lack of rain are causing much crop damage.

EARLY MORNING FIRE THREATENS BUSINESS BLOCK IN NORMAL

BULLETIN.
BLOOMINGTON, Ill., June 10.—Fire broke out at 2:20 this morning in the business district of Normal and an entire block of business houses is threatened.

MYSTIC ORDER OF VEILED PROPHETS ELECT OFFICERS

RICHMOND, June 9.—At its first business session here today the 4,000 delegates of the supreme council of the Mystic Order of Veiled Prophets of the Enchanted Realm elected officers for the ensuing year and selected Buffalo, N. Y., as the 1915 convention city. The officers are as follows: Ernest L. Volgenau, Buffalo, Grand Monarch; W. H. Snyder, Elmira, N. Y., Deputy Grand Monarch; William J. Cross, Jersey City, Grand Chief Justice; J. E. Thompson, Worcester, Mass., Grand Master of Ceremonies; Charles N. Colton, Rochester, N. Y., Grand Treasurer; Sydney D. Smith, Hamilton, N. Y., Grand Secretary; Henry Pears, Cleveland, O., Grand Keeper of Archives; Edward P. Schmidt, Washington, Grand Orator; A. H. Hutson, Columbus, Grand Captain of Guard; J. K. Zabriskie, Pittsburgh, Grand Standard Bearer; D. E. Cone, Fall River, Mass., Grand Marshal; Charles E. Wardwell, Rome, N. Y., Grand Alchemist; E. Craig Pelouze, Richmond, Grand Steward.

POLICE KEEP SUFFRAGETTES FROM INTERRUPTING STATE BALL

LONDON, June 9.—King George and Queen Mary were able to enjoy the brilliant state ball at Buckingham place tonight without interruption by suffragettes because of rigorous police precautions.

Sylvia Pankhurst and other militants will march with a bodyguard of their supporters to demand an interview with Premier Asquith tomorrow.

Twice today women selling the militant organ, "Suffragette," were mobbed and were finally obliged to escape in taxicabs.
At Birmingham a suffragette vandal armed with a butcher's cleaver today destroyed the portrait of "A Boy," by George Romney. She was arrested.

NAME ALVORD EDITOR.

Springfield, Ill., June 9.—Professor Clarence W. Alvord of the University of Illinois, chairman of the committee on the organization of research in Illinois history, and editor of the Mississippi Valley Historical Review, has been selected as editor-in-chief of the centennial history of Illinois, to be published under the direction of the Illinois centennial commission.

Announcement of the appointment was made today by Dr. Otto L. Schmidt of Chicago, chairman of the publications committee of the commission.

HEAVY EXPORT OF GOLD.

New York, June 9.—Five million, five hundred thousand dollars in gold was engaged here today for shipment to Paris. The continued outflow from this port to Europe has excited considerable comment in banking circles. On the present movement, which began about a month ago, \$30,000,000 has been exported. Earlier in the year \$10,000,000 went out.

MINERS MEET MEDIATORS.

Washington, June 9.—Representatives of miners and operators involved in the strike in the Kanawha coal fields of West Virginia late tonight completed their first joint conference with the mediators appointed by the department of labor. Both sides presented their views on their failure to resume the wage scale that expired on May 31. More than 10,000 miners are on strike.

SEN. JAMES ATTACKS O'GORMAN'S POSITION

EXPOSES STRONG FEELING AMONG DEMOCRATS OVER TOLLS QUESTION

Speaks at Night Session and Turns From New Yorker to Senator Vardaman—Declares That With Every Blow Bryan Grows in the Love of American People.

Washington, June 9.—Senator O. H. James of Kentucky, almost on the eve of a vote on the tolls exemption repeal bill, tonight drew aside the veil and exposed some of the strong feeling among Democratic senators divided over the controversy. Senator James made an attack upon the position of Senator O'Gorman, leader of the anti-repeal forces, declaring that the New York senator had been the valiant defender of the tolls plank of the platform but had failed to be the champion of another plank just as important when opportunity offered.

The senator spoke at a night session and the galleries were filled with spectators.

Senator James began his attack by reading a plank in the Baltimore platform declaring for publicity of recommendations for appointive federal offices explaining that the plank was inserted with the particular object of having reforms made public. He then announced that Senator O'Gorman as a member of the judiciary committee had twice had an opportunity to show his advocacy of this plank by offering amendments to accomplish this end to bills before that committee creating new judicial districts.

Senator Walsh, another member of the judiciary committee and one of those who has attacked the repeal bill as a violation of the platform, declared that every Democratic senator must stand alike on this question of public recommendations and new office in every bill that comes before congress.

Senator James turned from Senator O'Gorman to Senator Vardaman, who recently spoke of the Democratic party following the leadership of "Bryan and Root" in the tolls exemption fight.

"Everybody takes a lick at Bryan these days," he said with a smile. "but with every blow he grows in the love of the American people. Bryan and Root. Who is the distinguished senator from Mississippi following in his position? Gallinger on one side and Smoot on the other and in front Senator Penrose of Pennsylvania."

Senator James said he favored the repeal bill because he thought it must be passed to save the nation's honor and because it repealed a subsidy.

The debate at the day session, for the most part, followed the old lines laid weeks ago, but Senator Tillman of South Carolina made an unusual speech criticizing the president in vigorous terms for bringing the tolls issue before the country at this time and endangering the chances of the Democratic party in the congressional elections next fall.

Senator Tillman announced he would vote for repeal only because he felt his state party convention had freed him from the tolls joker in the Baltimore platform.

Senator Tillman's speech came after Senator Smith of Michigan had finished his speech in opposition to repeal and other senators had discussed the bill.

ATTEMPTS TO IMPEACH JUDGE.

Washington, June 9.—"By virtue of my office as a representative, I impeach Alston G. Dayton, United States district judge for the Northern District of West Virginia of high crimes and misdemeanors," said Representative Neely of West Virginia, in the house today.

Republican Leader Mann halted him by making a point of no quorum then a motion to adjourn by Representative Fitzgerald of New York was carried. Representative Neely probably will renew his efforts Friday.

ADDRESSES MINE INSPECTORS.

Pittsburgh, Pa., June 9.—D. N. Roderick, president of the mine inspectors' institute of the United States in his opening address to the convention here today declared that almost all mine disasters could have been prevented if the proper precautions had been observed by the miners themselves.

The large number of foreign workmen in American mines he said, resulted in much carelessness.

More than 100 mine inspectors from all parts of the United States, Canada and Mexico are attending the sessions.

DROUGHT ACCOUNTABLE.

Springfield, Ill., June 9.—The prolonged drought throughout Illinois was held accountable by the state fire marshal today for the \$1,216,590 fire loss in the state during the month of May. The report for the month issued today showed a total of 1,946 fires, 371 of which were in Chicago. The fire loss in Chicago was \$371,000, as compared to a loss of \$845,590 down state.

NOMINATE FULL TICKET.

Huron, S. D., June 9.—Naming R. F. Dowdell of Artesian for United States senator and W. H. McMasters of Yankton, for governor, the first nominating convention of the Progressive party ended tonight, having chosen the party motto "The National Progressive Party." A full ticket was nominated.

PERSON IS ADMITTED TO BAIL AFTER FIVE MONTHS IN PRISON

Witnesses Convince Judge That Clinton Editor Acted in Self-Defense When He Killed Musser.

Chicago, June 9.—Convinced by the testimony of witnesses to the shooting that Carl Person, labor editor of Clinton, Ill., acted in self-defense when he shot and instantly killed Tony Musser, former chief of police, and then non-union workman, Circuit Judge Walker today admitted Person to bail, fixing the bonds at \$12,000.

The hearing was on application for bail and the application was resisted by the state's attorney of De Witt county.

Person was released tonight on bond signed by Frank Schimberg and Mrs. Jean Comerford. He had been in jail in Clinton for five months since the killing of Musser.

Testimony was introduced to show that Musser lured Person to the Interurban station in Clinton by a decoy telephone message and that the editor was then attacked and severely beaten by him. Witnesses declared that Musser was shot and killed while seeking to again attack Person, who had been knocked to the ground.

The shooting was the outgrowth of the strike of Illinois Central railroad shovemen, with whom Person sympathized.

WAR VETERAN THINKS PRESENT MEXICAN RACE IS HOPELESS

Ohio Mexican War Veterans Hold Annual Reunion With Less Than a Dozen Present.

Chillicothe, O., June 9.—While less than a dozen of the men who fought in the war with Mexico, 1848-1849, were able to respond to the call for the annual reunion here today, the war spirit was dominant among them.

Captain John A. Fisher of Chillicothe, despite his more than 90 years, welcomed the survivors. He is president of the National Association of Mexican War Veterans.

"If I were not blind," said Captain Fisher, "I would offer my services to my country in the event of another war with Mexico."

Captain Frank A. Hardy, aged 95, of Piqua, regretting his inability to attend the reunion, wrote: "It seems that one of the most flourishing industries in Mexico is brigandage, and I have no faith that the commission at Niagara Falls or any other power on earth will ever be able to make a civil or industrial people out of the present race of Mexican outlaws."

BRYAN ASSAILS SENATE RULE AS "PLUTOCRACY'S" LAST STRONGHOLD

PENNINGTON, N. J., June 9.—William J. Bryan, secretary of state, in an interview tonight assailed the senate's rule for unlimited debate upon all matters before it as "plutocracy's" last stronghold.

"Plutocracy has been defeated," he said, "wherever the issue could be presented but its last stronghold has yet to be taken. I have no doubt however, that it would be taken before very long for the sentiment against unlimited debate is constantly increasing."

Secretary Bryan was here to make the principal address at the 75th commencement of the Pennington school.

BOTH FACTIONS OF WOODMEN 10 BE GIVEN TEMPORARY CREDENTIALS

ROCK ISLAND, Ill., June 9.—A petition for a writ of mandamus to compel the head clerk of the Modern Woodmen of America to issue credentials to the insurgent faction to the head camp of the order at Toledo, O., next week was withdrawn in the circuit court here today after Judge Olmstead had refused to strike out certain portions of the answer of officers of the society. The petition was filed in behalf of the insurgent faction in Illinois, Iowa and Nebraska. This will end the fight until the meeting of the head camp it is expected. Temporary credentials will be issued to both delegations in the contesting states and the head camp will determine which is entitled to a seat.

STEVENSON MUCH WEAKER

Chicago, June 9.—Adlai E. Stevenson, former vice-president of the United States, who has been critically ill here for several days, was much weaker tonight, according to an announcement of his physicians. The heat of the last three days has resulted in his complete prostration and physicians tonight administered injections of salt in the hopes of overcoming the effects of the weather.

FORECASTS VICTORY FOR SUFFRAGE ELEMENT

MRS. TROUT CONFIDENT CLUB WOMEN WILL ENDORSE MOVEMENT

Suffragettes Are Persistent Interviewers of Leaders of Federation Which Meets in Chicago Tonight.—Indiana Delegation Has Candidate For Presidency.

CHICAGO, June 9.—Victory for the suffrage element in their battle for the endorsement of the movement by the general federation of women's clubs that meets here in biennial session tomorrow night was forecasted today by Grace W. Trout, president of the Illinois Equal Suffrage association. Mrs. Trout and other Illinois Suffragists were unenthusiastic about the federation of leaders of the federation today. The former talked for more than an hour with Mrs. Percy V. Pennybaker of Texas, president of the big organization on the subject and came out of the conference with words of cheer for her sisters in the movement.

Mrs. Pennybaker takes the position that while she is not opposed to the ballot for women she must not, as chief executive of the federation, step out of bounds to influence sentiment or action. The first victory claimed by the suffragists took place in the mysterious secret meeting of the general council of the federation yesterday. It was not a meeting scheduled on the program but nevertheless a majority of those present expressed themselves, it is said, in favor of allowing woman's suffrage organizations to have representation in the conventions on an equality with non-political clubs. Every train today brought delegations and the headquarters was busy with the innumerable details connected with their welfare. A bit of gossip was to the effect that real practical politicians with an eye on the woman vote were working day below the surface to keep the prohibition question from arising at the convention.

"General" Rosalie Jones, the marching suffrage leader of New York, is among the guests at the convention. She was greeted warmly by the suffrage faction. Mrs. Hugh Reid Griffin of London and Paris, born in Chicago, but long a resident of Europe, was another visitor. She brings with her greetings from many women's organizations in Europe. (Delegates from Indiana have a candidate for the presidency of the federation in 1916 in the person of Grace Julian Clark of Indianapolis. It is assumed that custom will be followed in the re-election of Mrs. Percival V. Pennybaker of Texas as president this year, but the Indiana women are here prepared to play preliminary politics for their candidate two years hence.)

DISCHARGED EMPLOYE FILES
SUIT AGAINST STATE SECRETARY
Springfield, Ill., June 9.—Miss Estelle Beard Smith, formerly employed as assistant state librarian and discharged by Secretary of State Woods today filed a suit in the circuit court asking for \$3,990 damages. Woods' bondsmen are made party defendants. They are Millard F. Dunlap, Andrew Russel, John Cherry and William Nunes, all of Jacksonville.

Attorneys Gillespie and Fitzgerald, who filed the suit today, recently addressed a communication to the state civil service commission asking that action be taken against Woods for violation of the civil service law in the case of Mrs. Smith.

COOLHEADED STRIKE LEADERS AVERT A SERIOUS OUTBREAK

PITTSBURGH, June 9.—What promised to be the first serious outbreak of the 110,000 employees of the Westinghouse interests in the Turtle Creek Valley was averted today by the coolheadedness of the strike leaders. When word was brought to strike headquarters that the jail was being threatened by a crowd of 2,000 persons a brass band was organized and hastily led by the band, the crowd, including many strikers was marched away from the jail to Turtle Creek.

The trouble arose when a crowd of pickets pursued a police who had struck a man on the head with a mace during a scuffle at the plant.

ISSUES BANK PERMITS.

Springfield, Ill., June 9.—Auditor of Public Accounts Brady today issued a permit to Edward C. Wentworth, Charles D. Rounds, John L. Almerantz and John Dawney to organize the Cottage Grove State Bank in Chicago with a \$200,000 capital. He also issued a permit to William A. Moon, Edward F. Sawback, William Schmitt Jr., Anton Vogel, William P. Defenbaugh and Rose H. Defenbaugh to organize Moon's State Bank of Lenore, to be located at Lenore, LaSalle county with a \$10,000 capital.

AFFIRMS PREVIOUS DECISION.

Chicago, June 9.—The United States circuit court of appeals today affirmed a previous decision reversing portions of a decision of the lower court which convicted Jack Johnson, negro prize fighter, of violating the Mann white slave act. It was also ordered that Johnson be resentenced. The negro originally was fined \$1,000 and sentenced to a year and a day in the penitentiary. He fled the country and is now in France.

SCHRAM

PHI ALPHA SOCIETY HELD GREAT REUNION TUESDAY NIGHT

Gathering Did Not Adjourn Until Midnight—Five Hundred Dollars Pledged For Hall Improvements.

Phi Alpha Literary society of Illinois college had its annual love feast at the Peacock Inn last evening and it was certainly one of the grandest and most enthusiastic gatherings in the history of the society. There was a large attendance and everyone present, from the oldest members of 50 and more years down to the prospective Whipple men, all entered fully into the enthusiasm of the occasion, and even at midnight it was hard to get away. A menu of especial elegance was served.

After the tables had been cleared President Robbins Russell called the gathering to order and announced a reading, "Mr. Dooley on Baseball," by Thomas Mangner and the young gentleman acquitted himself with great credit. With highly complimentary and well deserved remarks the president introduced S. W. Baxter of East St. Louis as the toastmaster of the evening. Mr. Baxter was in his happiest mood and introduced each speaker in a manner which put each one at ease and prepared all for a feast of good things.

The following were the sentiments and the speakers:

"What Are We Here For?" A. F. Ewert.

"In This Sign We Conquer." Rev. H. D. French.

"The Great Divide." R. L. Dunlap.

"There Were Giants in Those Days." J. J. Bergen.

Violin solo, Dean Cochran. The young gentleman acquitted himself with such great credit that it was enthusiastically encores and kindly responded.

"From the Side Lines." W. G. Goebel.

"Progress." Victor Nelson.

"Well, We Are Here." Robbins Russell.

Mr. Russell dwelt especially on what Illinois college had accomplished and surprised all not aware of the facts with the account. Though the student body is small, the standing of the college in a literary way is fine and well made up, while in athletics its conquests have been great, and in that respect, too, it has been strictly equal, without any professional taint.

"Our obligations." Andrew Russell.

"The Man on the Firing Line." R. H. Bracewell.

"Paramount Issue." Hugh P. Green.

"How to Get There." S. W. Nichols.

"Phi Alpha's Glory." Carl Robinson.

"My Love for the Society." Rev. George White, who said he had come 1,700 miles to be present and was as loyal as ever.

"Always True to Phi Alpha." W. F. Brown.

"How I Love the Society." George Turl.

"Here's for the New Phi Baby." H. M. Capps.

The fact that the first president of the society, Dr. William Jayne of Springfield, was still living and a loyal member was mentioned and S. W. Nichols was appointed a committee of one to send him the formal greetings of the society.

R. H. Bracewell then explained that the society was anxious to enlarge its borders and to that end it was possible to get possession of the east room of the first floor of Beecher hall, the apartment formerly used by the Philologists, and to make the needed repairs and furnish it would cost \$500. He felt it would be a grand thing to secure the money at once. A scene of splendid enthusiasm ensued and one after another subscribed and the amount piled up rapidly. It soon went to \$200, \$300, \$365 when a generous friend leaped it to \$400. By smaller sums it went to \$450, when one gentleman on behalf of his class promised \$25, and then followed a very delightful event.

George Montgomery of Edmonton, Canada, United States consul, who had come 2,000 miles to get his degree and who had a son who would, he trusted, soon be a member, said he would complete the sum desired. The applause was loud and long and the gentleman was made an honorary member amid hearty cheers.

Every one was hearty and vigorous in his loyalty to the society and the sentiment increased as the hours passed by. After many expressions of felicitation, the song, "Viva Dear Old Phi," was sung and with three cheers for old Phi Alpha the meeting adjourned.

WITH THE SICK.

The condition of John DeSilva, who is at Passavant hospital very ill, remains unchanged.

ALL-DAY BIRTHDAY PARTY.

A number of friends gathered at the home of Mrs. B. D. Green, east of the city, for an all-day birthday celebration Tuesday. Dinner was served at noon on the lawn and a social time was enjoyed during the afternoon hours. Music was a feature of the evening's entertainment. During the day there were about twenty friends present.

TOOK LONG AUTO RIDE.

Mrs. George A. Moore has returned from a visit with relatives in Kansas City. While away Mrs. Moore took a 1,200 mile ride by automobile through the state of Missouri, accompanying her brother, Frank Porowski, brigadier general of the uniform rank of the Knights of Pythias of his home state.

CARD OF THANKS.

I wish to extend thanks to the many friends who gave me contributions for the Bethel A. M. E. church. I am sure that they will find that the money was well spent and that the improvements were needed.

Thomas Parker.

SOCIAL EVENTS.

The annual reception of President and Mrs. Rammelkamp for the seniors of Illinois college was held at the president's house on the campus Tuesday afternoon from 4 until 6 o'clock. In spite of the heat there were many students, alumni and friends of the college in attendance, and the occasion from every standpoint was very enjoyable. Especially noteworthy was the large number of alumni and former students present who have attended Illinois college during the last ten years. The receiving line included President Rammelkamp, Mrs. Rammelkamp and the members of the graduating class. During the afternoon, light refreshments were served. Assisting Mrs. Rammelkamp were Mrs. H. M. Capps, Mrs. A. T. Capps, Miss Louise Capps, Mrs. R. H. Tanner and Mrs. Sherman Leavitt.

Mr. and Mrs. Edward Stevenson and Mr. and Mrs. Clarence Rice were recent dinner guests at the home of Mr. and Mrs. John W. Leach, south-west of the city. The dinner was one of the generous elaborate kind customary at the Leach home and the occasion was one of very great pleasure.

Misses Dorothy Henze and Martha Lindemann entertained Tuesday evening at their home on North Church street in honor of Mr. and Mrs. Herman Brune, who were recently married. The affair was in the nature of a kitchen rush for the newlyweds and much merriment was caused as the bride opened the gifts brought by the guests, each one of which contained full directions for using. A delightful evening was spent with music and various games, prizes being awarded to Misses Eleanor Ironmonger, Pauline Toussaint, Alma Weigand, Cornelia Weigand, and Edna Unken and Rev. J. G. Kupler. Dainty refreshments were served.

Members of the Amoma class of the First Baptist church, taught by Mrs. George Hocking, were delightfully entertained Tuesday night at the home of Miss Ursula Davey on Hardin avenue. The event was especially in honor of Mrs. H. J. Immenza, who is said to be leaving Quincy to reside. There was a program of music and games and the excellent refreshments had an important place in the evening's events. Altogether the hours were very happily spent.

APPROVE \$88,415 ASSESSMENT ROLL FOR HARTWELL DISTRICT

Modern Electric Pumping Plant is to be Erected—Brings Total of Assessments up to \$251,000.

An assessment roll providing for \$88,415, prepared by the commissioners and engineer of the Hartwell Drainage and Levee District, was approved by a jury in the Greene county court Tuesday. The hearing was held Monday. Bids will now be advertised for to be received July 2 and it is expected that work will be started August 1 and completed February 1 of next year.

The work for which the assessment is levied consists of the construction of a pumping plant and interior ditching.

The pumping plant will consist of three 150 horse power electric motors, which will drive three 30-inch centrifugal pumps, with a combined capacity of 66,500 gallons per minute. When completed this will be the largest electric driven pumping plant in Illinois.

This assessment for \$88,415 is the last of a series of assessments on that district which total \$251,000. The remainder of the sum was spent for levee and interior ditching work. The district comprises 12,000 acres of land and the principal owners of the property are: J. O. Cole of Peru, Ind.; G. A. Williams of Chicago, William Britton of Williamsville, and C. J. Lumpkin of Carlinville. The commissioner are A. J. Barnett of White Hall, C. J. Lumpkin of Carlinville and Charles Stutz of Hillview. H. L. Caldwell of this city is engineer for the district.

FIRST REUNION OF KLEEBLATT IS TONIGHT.

Organization of 1910-1912 Classes Banquet at Colonial Inn.

The first reunion of the Kleeblatt will be held tonight at Colonial Inn and indications are good for a well attended and enthusiastic meeting of the Illinois College classes of 1910, 1911 and 1912, of which the organization is composed. Ben B. Watson, ex-'11, will preside.

Members of these classes who have not sent in reservations are requested to communicate either with Mr. Vickery or Miss Eleanor Capps.

HOME COMING EXCURSION.

The Alton has announced a home coming excursion from Chicago for next Saturday, June 13th. The train will leave Chicago at 8:30 a. m. and will arrive in Jacksonville at 3:55 that afternoon. The rate is \$3 and tickets will be good until the following Tuesday. As the time limit is so generous Mr. Diltz, local agent of the Alton, is expecting a large number of Chicago visitors here for Sunday.

MEETING OF WISCONSIN ELKS.

Wausau, Wis., June 9.—Thirty-one lodges of Elks in Wisconsin were represented today at the opening of the annual state convention of the order. The business sessions will continue two days and will be interspersed with numerous features of entertainment.

LIBRARY STORY HOUR.

The bi-weekly story hour for children will be held at the public library this afternoon at 4 o'clock. Stories will be told by several of the boys and girls as well as by the children's librarian.

SENIORS HAVE CLASS DAY IN THE COLLEGE GROVE

Illinois Graduating Class Make Last Public Appearance as Students Tuesday Morning in Interesting Program.

With the memory of four full years behind them and with optimistic hopes for the future, the graduating class of Illinois college celebrated Class day Tuesday morning by the presentation of a clever program in the college grove. Class day has before been observed in the chapel, but the outdoor place, suggested by the heat, proved very fitting. After the singing of the Class Day song, Henry Stotlar as president of the class, introduced the historian, Miss Florence Rice.

Miss Rice gave an interesting account of the doings of the class, relating their toils, troubles and victories, telling how they reached their present high and lofty estate. She embodied the narrative in an imaginary letter from Dean F. S. Hayden, their present, to Prof. A. W. Homberger of Wesleyan, their first class officer, who was at Illinois college during the 1910-1911 term. Miss Maude Johnson as prophet said for her classmates a future of realizing ambitions. In her paper she described a pretended reunion of the class at the home of Dean Hayden in the year 1924. Miss Annie Bellatti presented the trophies to the juniors. The response for that class was made by Paul Harmon. Books which it was thought would be appropriate for each were given to members of the class.

In the Ivy oration, Gaylen Dugger spoke of the historical significance of the ivy and told of its use as a sacred plant by men of ancient times. He mentioned its relation to the college man of today. Comparing it to the graduate is his struggle through life, he said that it grew with steady progress, that it selected carefully its course and at all times adhered to its onward and upward way. It teaches the lesson of ceaseless activity, with each day full of work and with the continued determination to excel.

TAKEN OUT OF BANKRUPTCY.

The petition for involuntary bankruptcy proceedings filed recently against Luther E. Smith and Mrs. Clara Smith were withdrawn Tuesday when all of the creditors interested united in an action to bring this to pass. The former action was taken somewhat hastily and the creditors after a thorough investigation of the matter came to the understanding that it would be far better for them to save the cost of bankruptcy proceedings than to proceed in the manner they had outlined. Mr. Smith, who has been in ill health, is still on the farm of his brother in Kansas and Mrs. Smith was very desirous that the bankruptcy proceedings should be withdrawn for it is her wish to pay every cent of indebtedness and she realized that by handling the business in the manner now proposed that the persons having claims will the more speedily be paid.

RETURNS FROM KANSAS TRIP.

L. S. Doane returned yesterday from a business trip to Southeastern Kansas. Crops in that locality are looking unusually well and the splendid wheat prospect has been injured only slightly by the Russian fly. For the past two seasons there has been some damage in that locality from chinch bugs but the long dry season of 1913 seems to have put them out of business and there have been no signs of them this year. Mr. Doane saw oat fields which will average 60 bushels to the acre and possibly more and corn which was planted early now looks green and thrifty.

CENTENARY MISSIONARY SOCIETY HOLDS MEETING.

A regular meeting of the Young Woman's Missionary society of Centenary M. E. church was held Tuesday evening at the home of Mrs. A. C. Baldwin of East College avenue. The leader, Mrs. A. C. Metcalf, read a paper on missionary activities in Malaysia and the Philippine Islands. Illustrative leaflets were read by Mrs. C. O. Bayha and Miss Belle Baldwin. Refreshments and a social hour followed the regular business. Alice McCullough assisted in the entertainment.

IS DOING WELL.

Benjamin B. Watson of Kansas City, Mo., is a guest of Earl Spink while in the city to attend the Illinois college reunions and graduation exercises. Mr. Watson did not finish college with his class, '11, but went to work for the General Roofing Co. of East St. Louis. A few months ago he was promoted and now holds the position of assistant sales manager with the Kansas City branch of the company.

RIG VEDA OUT.

"Rig Veda, Vol. 16, of Illinois college made its appearance Monday. It is dedicated to "Dean Hayden, the memory of whom will be always our dearest remembrance of college days." The volume abounds in good reading material of college happenings and is amply illustrated. The material is well arranged and the entire production is up to the standard of former years. The work was done by the Roach Press.

TO WORK IN RESCUE MISSION.

Victor Vieira left Jacksonville Monday evening for Superior, Mich., to engage for two months in rescue mission work. About the first of August he will go to Port Arthur, Ontario, to resume his position as physical director in the Y. M. C. A., the place he was forced to leave several months ago by an attack of typhoid fever.

UNDERWENT OPERATION.

Edward Young has returned to his home in Alexander from a hospital in Springfield, where he underwent an operation for appendicitis a short time ago.

How I Produced 12 Pounds of Beef From One Bushel of Corn.

I bought 44 cattle through Milton Marshall & Co., St. Louis, of Henry Wright, they averaged 961 pounds, March 19, 1914 in St. Louis. I put them in dry lots March 27th, fed them all they would clean up in 30 minutes, crushed corn, cob and all then cooked in the 50 bushel size Wood's Grain Softener.

I put them on grass May 25th, they averaged 1200 lbs. when put on grass. While in dry lot I gave each steer 5 lbs. clover hay. After they ate their grain, I kept oat straw before them all the time, but they would not eat over one bale of straw per day. I fed at 6 a. m. and 6 p. m., at regular hours.

I measured the grain fed with a No. 8 scoop, feeding 50 scoops at each feed or 100 scoops per day, all they would clean up. I put in 20 bushels ground cob corn and all into a 50 bushel vat. This will fill it making 50 bushels feed, which makes 4 feeds, all they will clean up. I drew 50 gallons of syrup off and added 50 gallons of water, then added 1-2 bushels of ground oats and shorts, with which I a mfeeded 80 pigs that are doing well.

I will feed the cattle about 30 days longer and would be glad to have any one interested come and see them.

CHAMBER OF COMMERCE DIRECTORS HELD MONTHLY MEETING

Contract With Traffic Manager is Authorized—Attention Called to State Retailers Banquet to be Held Wednesday Night—Bathing Beach Project Progresses.

The regular monthly meeting of the directors of the Chamber of Commerce was held Tuesday night and notwithstanding the hot weather there was a goodly representation of the directors present. President Reeve called the meeting to order and Secretary Fritchey read the minutes. Other routine business was omitted.

A report was made showing that the traffic department had been able to raise the necessary funds to make it possible to join with the Springfield Commercial association in an effort to secure better freight rates for Jacksonville. By the action taken the officers of the Chamber of Commerce are authorized to enter into a contract with Mr. Bowlius, traffic manager of the Springfield commercial association to act in a like capacity for the Jacksonville organization. As previously stated, Mr. Bowlius will not only seek to have certain classes of rates into and from Jacksonville lowered but will handle freight claims for merchants and help them straighten out any tangled freight matters.

A letter was read for the Illinois Retail Merchants' association relative to the coming state convention to be held in this city. There is every indication that the convention will be well attended and that the program will be one of great interest and value. The retail merchants department of the Chamber of Commerce was given authority to act as seems advisable with reference to its connection with the state association and this means also that the department can select its own delegates.

Special attention was called to the annual banquet of the state association which is to be held Wednesday evening in Armory hall. All members of the Chamber of Commerce will be welcome and are urged to arrange to attend. An excellent menu will be served and the speaking program will interest. Plates will be \$1.

Members of the Boosters club reported that they are still at work on the bathing beach proposition for Nichols park and that it is the expectation to have something to report in definite form before long. President Reeve took occasion to commend the members of the club for their efforts in endeavoring to have the trees in the park given proper attention as to trimming.

Mr. Heintz reported that the rural affairs committee had made some little effort toward securing the desired co-operation of farmers but that it had been decided best to postpone any definite action until a less busy season. The auditing committee reported that the books had been checked up and that all accounts had been found correct. Secretary Fritchey reported that he had mailed to Congressman Rainey and had received acknowledgment, for all correspondence that the Chamber of Commerce had some months ago relative to the possibilities of securing power from the Keokuk dam. After discussing some minor matters the meeting was adjourned.

THE HOTTEST YET.

Tuesday was an insufferably hot day for the month of June and it was noticeable that people stirred around as little as possible and that the shady side of every street was popular. G. H. Hall, a Jacksonville record was 98 degrees, which is the hottest for this year and very unusual for the month of June. There is this consolation, however, that the heat wave is widespread and people the country over are sweltering. Meanwhile the weather clerk promises nothing better for several days to come, at least.

Again We Say—"Bargains"

"Bargain" is a word that is being used quite lavishly throughout our store this season. But we never use it just for show. It has a real meaning here. Behind each item labeled "bargain" you will find upon investigation evidence of "more than your money's worth" every time. We have assembled for this week another list that is astonishing—not to say startling—in its disclosure. Bear in mind as you read these items that the reduced price is for this week only. Don't wait until next and then have cause to be sorry that you did not buy.

RUMOR OF CHANGE IN SUPER-INTENDENCY UNCONFIRMED

Mr. Woolston Says That State Authorities Have Not Authorized Report of His Resignation—Mr. Montgomery Declines to Make Statement.

The rumor was current yesterday that Supt. R. W. Woolston of the State School for the Blind had tendered his resignation to the state board of administration, to take effect July 1, and that the post had been offered to H. C. Montgomery, Morgan county superintendent of schools. The rumor was unconfirmed and Mr. Woolston stated last night that he had not been informed of any such action being taken and that he had called up the authorities in Springfield, and they stated that the report was unauthorized.

When Mr. Montgomery was asked about the report he declined to discuss it other than to say that he had not applied for the superintendency of the blind. When asked if he would take the position if offered him, Mr. Montgomery said he did not think it proper for him to talk about the matter at all. For several months there have been rumors about the possible appointment of Mr. Montgomery and his name has been connected with the superintendency of both the School for the Deaf and the School for the Blind.

Grape Juice and Grape Fruit

If you have never tried Welch's Grape Juice served with Grape Fruit, you have missed something delicious, something invigorating. As a breakfast appetizer, or as the first course of your luncheon, just make the experiment with this combination.

THE TRUTH ABOUT WELCH'S GRAPE JUICE

Welch's Grape Juice is nothing but the pure juice of the finest Concord Grapes grown. A few hours after these Grapes leave the vines they are washed, rinsed, stemmed and pressed and the juice is hermetically sealed in glass. It is a drink without a drug. It satisfies the thirst. It is true tonic without an evil aftermath.

PLAYS AND PLAYERS.

The field of congressional aspirants in North Carolina this year is unusually large.

Senator Thomas of Colorado, whose term will expire next March, is a candidate for re-election.

As has been the case of so many who have risen to prominence in American public life, William S. West, the new United States senator from Georgia, began his career as a school teacher.

Polite Elvins, former member of congress and until recently chairman of the Republican state committee, has filed his declaration as a candidate for the Republican nomination for United States senator from Missouri.

In addition to Colonel Roosevelt the Progressive party leaders who are expected to speak in the interest of the Washington party nominees in Pennsylvania this fall include ex-Senator Albert J. Beveridge of Indiana, Senator Moses E. Clapp of Minnesota, ex-Governor George C. Pardee of California, Congressman Victor Murdock of Kansas, Judge Ben B. Lindsey of Denver, and Prof. Charles E. Merriam of the University of Chicago.

INDICT CHICAGO JEWELER.

Newark, N. J., June 9.—Herman A. Russell, a Chicago jeweler, was indicted by the federal grand jury here today on a charge of smuggling gems. He is alleged to have evaded customs payment on diamonds worth about \$10,000. Russell is in the Hudson county jail in default of \$10,000 bail.

**SIGMA PI HOLDS
TRIENNIAL REUNION**

MANY GATHER AROUND FESTAL BOARD IN COLLEGE GYM.

Society in Business Session Appoints Committee to Raise Fund to Repair Beecher Hall—Harry J. Dunbaugh in Role of Toastmaster—Next Triennial Four Years Hence.

Sigma Pi society of Illinois college held their triennial reunion Tuesday evening in the college gymnasium of the present and former members being present. Harry J. Dunbaugh acted in the role of toastmaster. Considerable interest was manifested in the business session of the society. A motion was made before the society that its members take a fund now in possession of society to which more money would be added, said fund to be kept until large enough for the society to erect a new and separate building for their use. Several spoke in favor of such a fund for such a purpose. Opposed to this plan were several members who thought that Beecher hall should be kept intact and whatever money was raised should go toward repairing the hall and adding whatever was necessary to equip the building. A motion to that order was made by George W. Wilson of Quincy and it was carried by the society. It was moved that the chairman be given the power to appoint a committee to look into this matter of a fund to repair Beecher hall and to report at the love feast a year hence. He appointed the following local members, H. M. Bancroft, chairman; Walter Bellatti and Edward Bullard; non-resident, George W. Wilson, Quincy; Ralph W. Cooke, Chicago.

On account of the society having an opportunity to celebrate its 75th anniversary four years hence it was voted to have the next triennial at that time. The evening was excessively hot and a noticeable fact was that every man dispensed with his coat during the time with the exception of one.

It was eight o'clock before the members sat down to the banquet table, tables seating four being arranged, neatly decorated. The menu was a most excellent one, served by the caterers of the Peacock Inn. After chairs had been pushed back, Harry J. Dunbaugh of the class of 1899 was introduced as toastmaster of the evening. He was very happy in his introductory remarks congratulating the society upon its spirit and of the large number of old men who had come back to join in the festivities of the occasion. Mr. Dunbaugh filled his position in a most capable manner.

Ralph M. Crissman. He introduced as the first speaker, Rev. Ralph M. Crissman of Dixon of the class of 1899. His subject was "Our Old College." He spoke in a most feeling manner of the days when he was in school and what such an institution as Illinois meant to the men who were accounted worthy to be its graduates. He spoke of doing considerable speaking in the southern part of the state and thought that the college should use this field from which to draw students.

Ralph W. Cooke. Ralph W. Cooke of the class of 1902 spoke on the subject, "Illinois Product, Men of Character, Power." The speaker stated that product of Illinois college was ever up to the standard and the men who had left the halls were taking an active part in the affairs of the state and the government. The inspiration they received and training in the society hall in a large measure was accountable for their success in life. Now the world is looking for men of character and the hour is calling for men of integrity in places of high trust and responsibility.

Dean F. S. Hayden. Dean F. S. Hayden spoke on "Oratory and Scholarship." "I turn aside from serious consideration of this subject. If a man says he gets more out of societies than Illinois college after being out of college, perhaps he is telling the truth. The reason why some think this is of more value than scholarship is because scholarship is confused with 'digging.' We contrast the 'digger' and the 'talker.' There is no reason why there should be the two types of scholarship. Oratory of the true type rests on scholarship and scholarship amounts to little if the student can't reproduce it. We should enter into the spirit of the world. Oratory that has no food for a hungry world, no substance, is sheer wind. The practical point is that we members of Sigma Pi and Phi Alpha do not fall in the glorification we are called upon to raise the standard of our society. We should not forget that Illinois college has made possible the rooms, opportunity and other things which these societies enjoy."

Coach W. T. Harmon. Coach Harmon spoke of "One Banner Year." He said in part: "It has been my privilege the past four years to be in closer contact with the college than any other alumni. I want to tell you the prominent part Sigma Pi members have taken in athletics."

The speaker told of the members of Sigma Pi who filled offices in the various college enterprises. The football team was made up of two men from Phi Alpha, nine from Sigma Pi and two not belonging to any society. The basketball team was made up completely of members of this society. The speaker told of the various debates in which Sigma Pi was successful, including the joint debate. He told of the place Sigma Pi played in the Glee club, Dramatic club and Rambler.

Dr. Charles B. Russel. "Sigs of the East," was the subject given Dr. Charles B. Russel. "It's worth a thousand miles travel to be with you here tonight, even over the Wabash. In my profession it is my custom to bury my

mistakes. It's been almost twenty years since I joined Sigma Pi. Joining this society teaches you to stand on your feet and to meet the problems of life."

Out of almost a hundred men connected with Illinois college, a great number are Sigs, about forty of whom are in the east. The Sigs in the east stand well. I am glad I graduated from Illinois college. I say this when I recall I am a graduate of Harvard university. Illinois college is often referred to as one of the best smaller colleges of the west. This society has taught its members to accomplish things. I am glad there are only two societies here."

Henry C. Stotlar. He was given the subject, "Active Sigs."

"There are two things I've been thinking seriously about, of what Sigma Pi should do. There is a great deal of difficulty in getting a line on the men who leave the college. We need an alumni secretary to keep track of men and all records so as to have some definite plan to work on. An occasion like this shows the need of such an officer, one who would be responsible for this."

"Another thing is a Sigma Pi fund. It will not be long till we need larger and better quarters and it is necessary that we have a fund to work with. This is the time to take action on the matter."

Others who spoke included Harry Kirby, '97; George W. Wilson, J. S. Stevens, '70. The society adjourned by singing "Amiel." The committee in charge of the triennial was Ensley Moore, Walter Bellatti, Warren Case, Waldo Spruit, Clifford Dixon, Edward Alexander and Henry C. Stotlar, chairman.

Those from out of town included Lester Gray, Franklin J. S. Stevens, Chicago; Lyman Joy, Chapin; W. N. Crain, Waverly; L. E. Stone, Clinton; H. N. Kirby, New York; S. G. Divilbiss, Canton; F. D. Siefkin, Chicago; A. R. Swain, Sinclair; John M. Phillips, Corro Gordo; E. E. Waters, Wichita, Kan.; Harry J. Dunbaugh, Chicago; Ralph W. Cooke, Chicago; Ralph M. Crissman, Dixon; Charles B. Russell, Paterson, N. J.; James A. Meeks, Danville; James T. Holmes, Orleans; S. J. Tompkins, Pekin; George E. De-weese, Prentice; Lester A. Wiedman, Springfield; H. W. Wilson, Springfield; L. H. Vogel, Springfield; Carl R. Miller, Mulberry Grove; George Staley, Modesto; Larlow Brown, Modesto; G. W. Wilson, Quincy; W. A. Baxter, Ashland; U. W. Wright, McLean; B. B. Watson, Kansas City; W. WOMAN WEAK AND NERVOUS

Finds Health in Lydia E. Pinkham's Vegetable Compound.

Creston, Iowa.—"I suffered with female troubles from the time I came into womanhood until I had taken Lydia E. Pinkham's Vegetable Compound. I would have paid for it overworked or lifted anything heavy, and I would be so weak and nervous and in so much misery that I would be prostrated. A friend told me what your medicine had done for her and I tried it. It made me strong and healthy and our home is now happy with a baby boy. I am very glad that I took Lydia E. Pinkham's Vegetable Compound and do all I can to recommend it."—Mrs. A. B. BOSCHAMP, 504 E. Howard Street, Creston, Iowa.

Tons of Roots and Herbs are used annually in the manufacture of Lydia E. Pinkham's Vegetable Compound, which is known from ocean to ocean as the standard remedy for female ills.

For forty years this famous root and herb medicine has been pre-eminently successful in controlling the diseases of women. Merit alone could have stood this test of time.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

It is Just Natural To Admire Babies

One altruistic nature impels love for the cooing infant. And at the same time the subject of motherhood is ever before us. To know what to do that will add to the physical comfort of expectant motherhood is a subject that has interested most women of all times. One of the real helpful things is an external abdominal application sold in most drug stores under the name of "Mother's Friend." We have known so many grandmothers who in their young days relied upon this remedy, and who recommended it to their own daughters that it certainly must be what its name indicates. They have used it for its direct influence upon the muscles, cords, ligaments and tendons as it aims to afford relief from the strain and pain so often unnecessarily severe during the period of expectancy.

Every woman should mention "Mother's Friend" when the stork is the subject of conversation. An interesting little book is mailed free upon application to Bradfield Regulator Co., 505 Lamar Bldg., Atlanta, Ga. It refers to the young things that women like to read about. It also contains more complete directions than could be put upon a label. It refers not only to the relief from muscle strain due to their expansion but also to nausea, morning sickness, caking of breasts.

Get or recommend a bottle of "Mother's Friend" to-day and write for the book. The effect of this splendid external application is an expression of the thousands of women who have successfully used it and recommended it through two generations.

REPORT SHOWS CROP CONDITIONS BETTER THAN THIS TIME LAST YEAR

Composite Conditions June 1st is About 2.2 Percent Above the Ten Year Average While Last Year Was 1.2 Below.

Washington, June 9.—The composite condition of many important crops in the United States on June 1st, was about 2.2 percent above the ten year average for that date, the department of agriculture announced today. Last year the June 1st condition was 1.2 percent below.

The most promising crop this year was winter wheat with a condition of 14.7 percent above its ten years average.

Condition of other crops on June 1st expressed in percentage of their ten year averages was: apples, 110.8; alfalfa, 108.6; barley, 106; pears, 104.7; rye, 104.3; peaches, 104.2; raspberries, 103.7; canteloupe, 102.6; spring wheat, 102; lima beans, 101.7; hay (all), 101.5; oats, 101; blackberries, 100.5; pasture, 99.8; onions, 98.3; cabbage, 97.5; watermelons, 96.6; sugar cane, 95.5; clover, 95.

The following figures indicate general crop conditions on June 1st, 100 representing the ten year average of all crops reported upon:

Indiana, 103; Illinois, 92.6; Wisconsin, 104.8; Minnesota, 103.6; Iowa, 100.6; Missouri, 92.2; North Dakota, 100; South Dakota, 105.4; Nebraska, 111.3; Kansas, 122.9; Montana, 98.9.

Average prices to producers on June 1st were lower on a number of articles than the average of the last five years on that date. Wheat's average on June 1st was .84 cents a bushel, compared with the five year average of .986.

Oats, barley, rye, flax, hay, potatoes and butter showed varying decreases. Corn, buckwheat, cotton, chickens and eggs brought slightly higher average prices.

ARE YOU GOING AWAY FOR THE SUMMER?

You will need the Jacksonville Journal and you can have it every day. If possible you will appreciate it even more highly than when you are in the city. It will be better than a long daily letter from your dearest friend at home. It will keep you in touch with Jacksonville, besides giving you, as always, all the news of all the earth.

Call up the Circulation Department, either phone, 64. Or if convenient to you and to prevent any possible mistake in transmitting telephone message, just mail a post card to The Jacksonville Journal Co., giving both the old and new address, and the change will be promptly made.

Price of Journal to any postoffice in the United States (address changed as often as desired) is ten cents per week.

CANADIAN MANUFACTURERS.

Montreal, June 9.—Several hundred representatives of the industrial life of the dominion filled the assembly room of the Windsor hotel today when the annual meeting of the Canadian Manufacturers' association was called to order by President C. B. Gordon. The convention will continue in session three days, during which time a wide variety of subjects relating to the welfare of Canadian industries will be discussed. The meeting will conclude Thursday night with a banquet at which Premier Borden, Sir Thomas Shaughnessy, Hon. George E. Foster and other men of national prominence are to speak.

GOVERNORS' CONFERENCE.

Madison, Wis., June 9.—Owing to the inability of many of the members to absent themselves from their official duties at the present time the conference of the governors of the states which was to have opened here today has been postponed until November. ALUMNI SHOW INCREASING INTEREST IN COLLEGE

Illinois College Directors of Alumni Fund Association Held Annual Meeting Tuesday.

The annual meeting of the Board of Directors of the Illinois College Alumni Fund association was held Tuesday afternoon at the Ayers National bank building. The directors present were H. J. Dunbaugh, of Chicago; Walter Bellatti, R. I. Dunlap, R. Z. McKown of Springfield, and Truman P. Carter. Reports presented indicated that the association has just closed the most prosperous year in its history and there are evidences of a continued and increasing interest among alumni in college affairs. The association decided sometime since on the establishment of "In Memoriam" memberships on the payment of a sum of not less than \$100. Officers who have served acceptably during the past year were re-elected, Dr. Edward Capps, chairman; Walter Bellatti, secretary; R. I. Dunlap, treasurer. Edward Capps and H. J. Dunbaugh were elected directors to succeed themselves; Dr. Willard Bartlett to succeed C. W. Holtcamp; Rev. J. M. Sturtevant to succeed E. W. Blatchford; Victor W. Nelson, as 12th director.

WISCONSIN SENATORIAL CAMPAIGN.

Racine, Wis., June 9.—In response to an invitation from the Progressives of Racine county, Lieutenant Governor Thomas Morris came to this city today to deliver the opening speech in his campaign for the United States senate.

There is every indication that Wisconsin is to be treated to a red hot senatorial campaign ending with the general primaries on September 1, when all parties will select their candidates to succeed the venerable Isaac Stephenson, whose term in the United States senate will expire next March.

Though it gave its electoral vote to Wilson in 1912, Wisconsin is still regarded as essentially a Republican state. It is the general belief that Senator Stephenson's successor will be a Republican, unless there is a complete upset in the political situation between now and the election in November. In consequence of this belief the contest for the Republican nomination for senator is attracting more attention than the contest on the Democratic side.

Lieutenant Governor Morris, whose home is in La Crosse, is the La Follette candidate for the senate, and will have the support of the senator from this state. Senator La Follette has signified his intention to come from Washington and devote three or four weeks to speech making in the interests of the lieutenant governor.

Lieutenant Governor Morris will be opposed for the senatorial nomination by Governor Francis E. McGovern, who will run as the candidate of the Roosevelt Republicans. Governor McGovern was always rated as a La Follette man, until he had advanced so far in politics himself that he refused to submit to the La Follette orders in all things. Senator La Follette resented McGovern's support of Roosevelt in the 1912 convention and as Lieutenant Governor Morris was an original La Follette man, he was chosen by the senator to lead the fight against McGovern's advance to the senate.

Chicago to Entertain the American Poultry Association.

The thirty-ninth annual convention of the American Poultry association will be held at Chicago August 8 to 15 inclusive. Hotel Sherman, just opposite the city hall, will be the headquarters. Arrangements have been completed by the Chicago Poultry society and Chicago Association of Commerce to give the visiting members of the American poultry association and their wives the most loyal entertainment. Chicago, the city beautiful, with its cool lake breezes, is the ideal place to spend your vacation. Entertainment will consist of auto trips through Chicago's beautiful parks and boulevards, ball games, moving pictures of poultry, with lectures, trip to stockyards, moonlight lake trips and many other pleasures are in store for the many visitors.

LYNNVILLE.

Members of the Brooklyn M. E. church Epworth League, Jacksonville, gave a concert at the Christian church in Lynnville Friday evening which was well attended.

A very pleasant time was had at the concert given by the Lynnville Concert Band at the home of Wiley Todd Saturday evening.

A children's day program was given at the Lynnville Christian church Sunday morning at 10 o'clock. Much credit for the success of the occasion is due the committee, Mrs. Maggie Heaton and Miss Bertha Gordon.

The Methodist church Children's day program will be given next Sunday.

Friday, June 12, the ladies of the C. W. B. M. will give an ice cream supper on the Christian church lawn.

Thursday, June 18, there will be a lecture at the M. E. church by Rev. Mr. Spooner of Jacksonville, entitled "From Cattle Ranch to Pulpit."

Tuesday afternoon the baseball team from the 20th Century Sunday school class crossed bats with the Busy Bees. The game resulted in a victory for the Busy Bees 12 to 10.

Several farmers in the community are about ready to cut their wheat and it is probable that a number will be in the midst of harvest by the last of the week.

EAGLES WON FROM STATE HOSPITAL BALL TEAM

Score Was One Sided But Game Was Warmly Contested From Start to Finish.

The Eagles ball club won a game handsly Tuesday afternoon from the Jacksonville State Hospital team by a score of 15 to 4. The batteries were, Hospital: White and Clark; Eagles: Fanning, Vedder and McCracken. The game was far more interesting than the score would indicate and a large gallery of spectators watched the contest from start to finish. Facts from the score book, earned runs, eagles 3, Hospital 4; two base hits, Eagles 2, Hospital 2; home runs, Hospital, 2; base on balls, off Fanning 2; struck out by White 5, by Fanning 9; left on bases, Eagles 6, Hospital 4; hits, Eagles 10, Hospital 9; hit by pitcher, Wood, White, Cannon and Vedder; final score Eagles 15, Hospital 4.

The feature of the game was Jones' work with the stick as he made two of the four runs accredited to Hospital batting out home runs in the 4th and 9th.

PESTS ARE MENACE TO CROPS OF THE STATE IS REPORT.

The summary of the weather and crop conditions in the state for the week ending Tuesday, issued as by the U. S. department of agriculture is as follows:

The week was very warm; the highest on record for so early in the season, with the single exception of the similar week in 1911. Rain fell in parts of the southern counties but in parts of the northern division the rain was excessive. The drought continues over much of the central and south. Some places have been without rain for thirty days. In De Kalb county and other sections in the north end of the state there has been too much rain. Fields are standing in water and the cultivation of corn has been interfered with, planted on account of the dry weather. In the south end some corn cannot be cultivated.

The condition of corn, wheat and alfalfa is generally good where there has been no pest damage. Oats and grasses are damaged and backward in the droughty regions. The pest distribution is as follows: Chinch bugs, over the southwest quarter of the state; army worms in localities throughout much of the south half; hessian flies in many quite large areas scattered over the state. The army worms seem to work the greatest damage in timothy. The pests are believed to be worst in Macoupin county.

Clarence J. Root, Section Director.

MARKHAM.

Mrs. John Coleman and daughter and August Bolhorst attended the high school commencement last week at Beardstown.

The army worms are still to be found in this neighborhood.

Homer Paschal spent the week end with his grandparents, Mr. and Mrs. W. H. Paschal.

The farmers are still wishing for rain, as the crops need it.

Miss Norma Perbix is at home for her vacation from the Woman's college.

MERRITT.

The members of the M. E. Sunday school will give the Children's day entertainment in the church next Sunday evening, the 14th, at eight o'clock, to which the public are cordially invited to attend.

Arthur Huddleston and family of Beardstown made a short visit here Saturday.

Miss Mollie Quinn of Chapin was a week end visitor of home folks.

Mr. and Mrs. William Morris, W. D. Hitt, Jr., and family were Friday shoppers in Jacksonville.

John Barry and Will Wisdom were Winchester-callers Sunday.

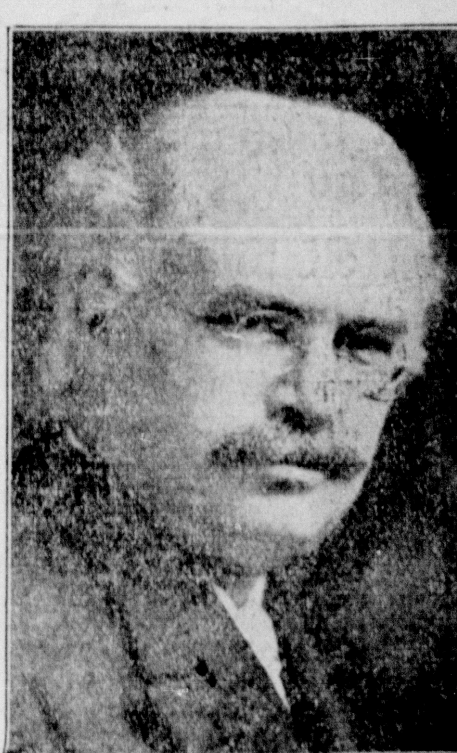

Alva Stainforth took advantage of the excursion to Kansas City Friday. He returned home Tuesday.

Miss Rose Grady of Winchester enjoyed last week with her parents, east of Merritt.

T. M. Hardwick returned to Peoria Saturday. He came up from Alton Friday morning and says they need rain worse than the farmers in this locality.

Al Morris was a shopper in Jacksonville Friday.

The Merritt Concert band furnished some excellent music for the ice cream supper given by the Christian church in Chapin Saturday night.

DR. PRICE'S BAKING POWDER

A pure, healthful, Cream of Tartar Baking Powder

When buying an article of food you are entitled to know exactly what you are buying—its quality and ingredients.

If this information is refused don't buy it.

Some of the low grade baking powders are advertised, but the ingredients of the powders are scrupulously concealed.

A housekeeper would not use a baking powder containing alum if she knew it.

It is well when buying to examine the label on the can. Unless it shows the ingredient cream of tartar, don't buy it.

Dr. Price's baking powder is absolutely free from alum.

SOX MAKE CLEAN SWEEP OF SERIES WITH YANKS

DEFEAT VISITORS IN FINAL COMBAT 7 TO 4.

Game Proves a Batting Test and Errors are Frequent on Both Sides—Athletics Take Erratic Game From Detroit

Chicago, June 9.—Chicago made a clean sweep of the series with New York today by defeating the visitors in the final combat 7 to 4.

The game was a batting test. Ciccotte was hit hard and was replaced by Scott who weakened in the ninth inning when the visitors started their belated rally. Errors were frequent on both sides but those of New York were more numerous. Keating was hit hard in three innings. The score:

PREPARE FOR REGATTA.

Halifax, N. S., June 9.—The Royal Nova Scotia squadron has about completed preparations for the big annual regatta to be held next month. The main features of the week will be the Coronation cup races which are expected to attract a large gathering of yachting enthusiasts. It is expected the entries for the races will include the Gem, winner of the race last year, and her two closest competitors, the Shirley from Sydney and the Scrapper from Bedford.

"HANS" WAGNER WHO MADE HIS 3,000TH HIT YESTERDAY

Photo by American Press Association.

Philadelphia, June 9.—"Hans" Wagner, the veteran short stop of the Pittsburgh National League team today made his 3,000th hit in seventeen years of major league baseball. It was a two-bagger off Pitcher Mayer with no one on base in the ninth inning. He subsequently scored Pittsburgh's only run of the game on two outs.

The only other player who is said to have made 3,000 hits in his major league career was Adrian C. Anson, who batted out 3,047 in 22 years.

SOME OFF-SIDE CHUTES.

Champion Ritchie is on his way to London, being booked to ship from New York this afternoon. His match with Welsh has been clinched for July 4. Before leaving Chicago Monday Willie made much of a grand stand pose as to the argument in London; what he thinks he can do and what he is going to do to the Englishman. And when he struck that g. s. attitude he knew he was belching up a sickening lot of bunk. He said Welsh could not hurt him because Freddie did not carry the wallop, and also that Welsh was not much of a boxer, therefore he was going to have a mere canter to gobble the British championship. What a silly lot of boobs this Ritchie person plays Americanistic followers to be. Since Welsh's advent in the squared circle nobody on either side of the big ditch played him for a slugger—a hammer and tongs rusher—but everywhere his prowess as a boxer and ring general has been acknowledged and respected by those who have been in the ring with him and by those who have followed his career. He may not be able to deliver the haymaker into the Ritchie anatomy, but throughout the mill he will play a tattoo on the champion's person, and if the latter does not improve a considerable lot over his showing with Charley White at Milwaukee, Welsh will surely get a decision on points. It is the hope of this column that Ritchie wins by a knockout, but the writer is "ferocious" all bunk and would welcome a period when the champion would close his yap and go to sawing wood.

St. Louis and Washington started the season's record for time on Tuesday. In a slugfest game of ten innings the Browns knocked the Senators from the top of the flag-pole, when with Leary on first, Shortstop Wares smashed out a screaming three-base drive to win the game 8 to 7 in three hours and thirty-five minutes. Both teams made fourteen hits each and three pitchers on each side had to face the bombardment. Philadelphia winning from Detroit, took possession of the pole by five points.

Frank Baker took no chance with that rightfield screen and ground rules at Detroit Monday. He clouted a world series home run over the fence and won the game.

Marsans has accomplished what he has been trying to do all season. He has signed with the Federals. The wily and unmanageable Cuban has not jumped; he has taken advantage of the new mutual contract by giving Cincinnati ten days' notice, to expire next Saturday, when he will connect with Mordecai Brown's Sloufeds. Otto Stifel, president of the St. Louis outlaws, states that he will issue a formal statement Friday evening. This is a precaution against a possible plea for an injunction by Garry Herrmann.

Steve Evans had his swatting togs neatly ironed in the double-header against the Chifeds Tuesday. The globe trotter lined the ball over the fence in both games for the circuit.

WORLD'S LATEST FINANCIAL AND MARKET NEWS

SENTIMENT IS CHEERFUL AND STOCKS SHOW SMALL ADVANCE

Good Impression Created by Crop
Report is Strengthened by Favor-
able Character of Weekly Review
of Weather Conditions.

New York, June 9.—Another
small advance in stocks occurred to-
day. While traders continued to
show indifference to outside influ-
ences, sentiment was cheerful and
the inquiry was broad. The good
impression produced by yesterday's
crop report was strengthened today
by the favorable character of the
weekly review of weather conditions.
While the report on idle cars showed
another increase the change this time
was nominal.

The opening was irregular, but the
market quickly moved upward. The
ease with which quotations were
advanced on comparatively small
buying indicated a scarcity of stocks
but bulls were not aggressive and in
the last half of the day trading was
decidedly slow.

WAVERLY MAN WEDDED TO GIRL N CINCINNATI

David Nathanson Met His Bride in Springfield Six Months Since.

The State Register has the following account of the marriage of David Nathanson of Waverly to Miss Lipschitz of Cincinnati.

A love romance, begun in Springfield, Ill., six months ago, culminated today in the marriage of David Nathanson, a prominent merchant of Waverly, Ill., near Springfield, and Elizabeth Lipschitz, daughter of Mr. and Mrs. J. Lipschitz, at the residence of the young lady, 863 East Rockdale avenue, Avondale, here today.

Mr. Nathanson met Miss Lipschitz while she was visiting her aunt, Mrs. Broda, of Springfield, Ill., who held a reception in her honor, and Mr. Nathanson was among the guests. It was a case of love at first sight. The bridegroom came to Cincinnati on business, but the June wedding fever seized him and he asked for the hand of Miss Lipschitz. The brother and sister of the young lady were best man and bridesmaid respectively. After a reception at the residence of the bride, the couple left for trip, and upon its completion will reside at Waverly, Ill. The father and mother of the bride had a little celebration, for the same day their daughter wed they reached the quarter of a century mark in married life.

MRS. JOHN G. PRATT DEAD.

Mrs. John G. Pratt of Virginia passed peacefully to rest at the Springfield Hospital, Springfield, at 5 o'clock Tuesday morning.

About a week ago she underwent a serious operation for peritonitis. Her physicians regarded her condition as very critical from the beginning. At times she seemed to rally and slight hopes were entertained for her recovery, but she finally succumbed to the fatal disease.

Mrs. Pratt was born in Beardstown April 23, 1878, and was the daughter of Mayor and Mrs. S. C. Keil. Her girlhood days were spent in that city, where she received her literary education, graduating from the Beardstown high school in 1896. She then devoted her entire time to the study of music, taking a two years' course under the direction of the late Prof. W. P. Day of the College of Music of this city. This was followed by several years of more advanced work in Chicago.

November 9, 1904 Miss Alma Keil was united in marriage with Mr. John G. Pratt of Virginia. Their years of married life were of ideal happiness, not a shadow ever crossing their pathway.

Mrs. Pratt is survived by her husband and two little daughters, Kathryn and Marguerite, aged 8 and 6 years respectively. Also by her father and two brothers, Arthur and Edwin. Her mother preceded her in death seven years ago.

Mrs. Pratt was a woman of refinement and culture, and possessed a sweet and winning disposition. During her illness she displayed a spirit of calmness and resignation, which is seldom seen. Not a worry nor fear seemed to disturb her, and she asked for her children and relatives during hours of consciousness.

From childhood she has been a faithful member of the 6th Street Lutheran church of Beardstown, and was an active member of the Woman's Club of Virginia.

The suddenness of her untimely death comes as a terrible blow to her grief-stricken family and relatives, as well as to a large circle of friends, who will extend their deepest sympathy in this dark hour of trial.

Though separated from her loved ones for a time, the influence of such a life as hers will always be felt by all who knew her.

The funeral will be held from the Methodist church in Virginia at 2:15 o'clock Thursday afternoon.

CONVERTED MAN CONFESSED KILLING HOG

Jefferson City, Mo., June 9.—How a public confession of a 2-year-old offense, made in compliance with the canons of a certain religious society, landed Arthur Donaldson of Ozark county in the penitentiary to serve a two year sentence is told by parole papers when he was released today by Governor Major.

Donaldson, who was an Ozark county farmer and fisherman, shot a hog on the range which was not his own. More than two years elapsed and no one but Donaldson and his wife knew anything about the incident.

A traveling evangelist came to the neighborhood where the Donaldsons reside and began a revival. Donaldson became converted. The shooting of the hog weighed upon his conscience and after confessing the affair in public, he went to the sheriff and made a formal confession and said he stood ready to pay the penalty.

A formal charge was placed against him and he was taken before a circuit judge, where he entered a plea of guilty to a technical charge of grand larceny. He was sentenced to serve two years in the penitentiary and was imprisoned February 9, 1914.

A few days ago the board of pardons discovered Donaldson and got his history. The board, after hearing the facts, immediately set in motion the machinery for his parole. George W. Boone, the prosecuting attorney, and the trial judge readily agreed to the parole, and Donaldson was released today and will go to his family, who are in destitute circumstances. He was paroled to J. M. Young of Caney.

The governor also paroled Earl Gore of Jefferson county, who was serving a two-year sentence from June 20, 1913, for forgery. He was paroled to P. C. Eaves of Hillsboro.

FRATERNAL ORDERS

MAY MERGE.

Bay City, Mich., June 9.—Hundreds of delegates and visitors from many parts of the country are attending the national convention of the Knights of the Modern Maccabees, which assembled in this city today for a four days' session. The national convention of the Ladies of the Modern Maccabees will take up for consideration and action a proposal to merge their order with the Knights of the Maccabees of the World. The two orders were originally one organization, but a split occurred about fifteen years ago on a question of policy. The present membership of the Modern Maccabees is about 65,000 and that of the Maccabees of the World about 285,000.

STOCKING ILLINOIS STREAMS
WITH VARIETY OF FISH

Commission Has Undertaken Propagation Work on an Extensive Scale This Year.

Propagation of fish on an extensive scale for stocking Illinois lakes and streams has been undertaken this year by the game and fish conservation commission.

For the first time in years, the state has planted in suitable waters fish fry of its own hatching. The abandoned hatchery of the old fish commission at Havana was rehabilitated and 10,000,000 pike-perch (wall-eyed pike) eggs were hatched and distributed.

Since the pike-perch were hatched buffalo spawn has been obtained and hatched. The buffalo is a most important commercial fish. It is not a game fish nor is it to be classed as an edible fish with the black bass or pike-perch. But it is very prolific, of quick growth and feeds upon vegetation and other forms of food that the game fish despise. Moreover, it can be put on the market by the seine fishermen at a very low cost, so that people who cannot afford black bass can have a fish dinner at a cost of about 10 cents a pound.

Realizing the importance of cheap food, the game and fish conservation commission has decided to enlarge the Havana hatchery to turn out 50,000,000 buffalo fry a year.

At Spring Grove in McHenry county the commission has established bass hatching ponds from which this year it will turn out about three million fry, to be planted in the best bass waters of the northern part of the state. The bass pond comprises a tract of about thirty-five acres on which there will be seven or eight ponds when the plant is completed, with a capacity of about ten million bass fry a year.

Already twenty-five acres of this tract is under water and stocked with breeding bass now spawning. Before fall the rest of the ponds will be completed and stocked.

At this place a hatchery will be built, with a capacity of about 50,000,000 pike-perch fry a year. This fry will be planted in northern lakes and streams suitable for this kind of fish. The hatchery will be completed in time for the coming spring hatching.

Illinois is far behind her sister states in the matter of hatching fish. Indeed, there has been nothing done in this line for years, and then there was only the output of a single hatchery. The present commission has had to create a fish culture department and develop an organization.

An important part of the fish conservation work has been the rescuing of small and large fish stranded on the spawning grounds of the Illinois and Mississippi rivers. About 650,000 fish, large and small, have been rescued within a radius of ten miles of Galena. Of this number more than 40,000 were put in the rivers at Freeport, Warren, Apple River and Elizabeth. The rest were put in the sloughs and rivers nearest to the place where the fish have hitherto perished in this section from drought and frost. It has become a part of the fixed part of the policy of the commission to continue this rescue work.

In many sections streams have been set apart as preserves, where fish cannot be taken except with hook and line.

Through the courtesy of the state of Iowa, the Illinois commissioners will have the use of the Iowa state fish fry for sixty days to distribute fish fry and larger fish throughout the state.

CLOSE OF YEAR AT THE STATE SCHOOL FOR DEAF

Last Exercises Will Be Held Today at 9:40 o'clock—Pupils Will Leave For Their Homes in Charge of Teachers Thursday.

The chapel service this morning at the Illinois School for the Deaf will be the last formal exercise of the year, bringing to a close a successful term of nine months. The task of getting the pupils ready for their trip home is under way and the companions of pupils of members of the faculty will be ready to leave Jacksonville Thursday. There is a vast amount of trouble and work connected with the preparations for the return journey and the task of accompanying three or four score deaf children during a long railroad journey is not a light one.

The routes which the pupils will take in going to their homes are the teachers in charge follow:

To Chicago, via the C. & A.—Chas. Spruit, E. P. Cleary, Asa Stutsman and Miss Eliza Gabler.

As far as Bloomington on same train—F. H. Cogswell.

To East St. Louis, via C. & A.—C. W. Taylor, Mrs. C. W. Taylor, Earl Rogers, Miss Lydia Teague and Mrs. Eliza Hinman.

To Peoria, via C. & A. & St. L.—Mathew Minter and Miss Belle Howard.

To Decatur, via Wabash—Macy Brents and H. A. Molohon.

For auto livery call Newman's garage. Satisfactory service and reasonable prices.

NOTICE TO AUTOMOBILE OWNERS.

Owing to the fact that gasoline mixtures will stand considerable thinning during the summer months and that any number of cars are now troubled with over-heating due to a great extent to improper lubrication, adjustment of ignition devices, defective radiation, slipping clutches, as well as numerous minor faults, we have arranged for the service of an efficiency engineer who will be at our Sales-and-Service Dept. on June 12th and 13th. His services will be free to the automobile public between the hours of 8 a. m. and 5 p. m. on these dates; the average amount of time necessary to make these adjustments is from ten to fifteen minutes. The general automobile public is invited to avail themselves of this opportunity.

Remember these services are absolutely free.

David Estaque, Proprietor Modern Garage.

MINISTERS ELECT OFFICERS.

FACTS ABOUT ILLINOIS

MOTOR VEHICLE LAW

Rules Are Sometimes Overlooked by Autoists and By Drivers of Other Vehicles as Well.

For the information of the public in general, many automobile owners and drivers and the officers of the law, whose duty it is to see them enforced, a few of the important clauses of the Motor Vehicle Law of Illinois are presented.

First—Every motor vehicle shall be registered annually with the secretary of state, who will issue license to owner and furnish proper numbers for car, which numbers must be displayed on front and on back at all times.

Second—Every car shall have proper brakes and horn or other warning device and at least three lamps, two throwing light at least 200 feet in front; one on rear, while tail light shall not by any device, be extinguishable from dash.

All these lights shall be kept burning or lighted from sun-down until an hour after sunrise, and no car shall be left standing without these lights burning; neither shall any car be left with the engine running with out an attendant.

The law prohibits a greater speed than six miles an hour in turning a corner, whether in town or in the country.

In the business and closely built up residence portion, not over ten miles an hour, and in more open residence portion, not over fifteen miles. No place in town or village more than twenty miles, and no place, town or country, more than twenty-five miles an hour.

MANY MILLIONS EXPENDED

IN CHARITY WORK

A. L. Bowen of State Charities Commission Presents Some Interesting Facts and Figures.

According to figures prepared by the State Charities Commission and presented by its secretary, A. L. Bowen, to the American Association of Officials of Charity at their meeting in Memphis, May 7, four hundred million dollars are expended annually in the United States on public and private charitable, correctional and penal institutions. Of this vast amount, it is shown that Illinois spends nearly six millions on its State charitable institutions, about a million and a half on its State penal and reformatory institutions, a million and a half on public out-door relief, about fifteen millions collected through private benevolent societies, churches and fraternal organizations, a million dollars on its jails and workhouses and a million dollars on its almshouses.

Mr. Bowen said that the property of these institutions in the United States is worth at least a billion and a half of dollars.

From these figures he argued that the administration and supervision of the units in this system should be considered a distinct profession in which men and women should be trained and educated and assured a long tenure of service that the State might profit by the accumulation of their experience.

The speaker said that the administration of a single hospital for the insane is as difficult a task as the management of a steel mill or a department store.

Mr. Bowen said that the insane alone cost this country about forty million dollars a year. The public charitable and penal institutions, including the insane hospitals, supported out of tax payers' funds, cost about seventy-five millions a year.

The census of 1910 showed that there were in the United States 4,420 hospitals, children's and old people's homes, dispensaries and institutions for the blind and deaf. Of those all but a very few were privately supported. They had at the close of the fiscal year 1910, 412,247 inmates, an increase since 1904 of 127,912. The number of institutions had increased by 1,201 in that time. The total admissions in 1910 were 5,400,506 against 3,369,184 six years before.

In other words institutions had increased by twenty-seven per cent, their population by thirty-one per cent and total annual admissions by sixty-two per cent. Of the 4,420, 4,281 reported receipts during the year of \$118,379,856. 3,871 of them reported property worth \$643,878,141; the remaining 549, Mr. Bowen estimated to have property worth fifty millions, bringing the total property up to seven hundred million dollars. On the rate of increase that prevailed from 1904 to 1910, these institutions now number 5,000 and their property value must be close to a billion dollars.

Mr. Bowen estimated the annual cost to the public of jails, almshouses, workhouses and various correctional institutions of that class to be twenty-two millions. Public poor relief, he said, would approximate twenty-seven millions, five hundred thousand dollars.

The contributions through Associated Charities, church and fraternal organizations he believed to be near one hundred millions per annum.

In all about four hundred million dollars a year are expended for charity and correction by public and private institutions of this country, or a five per cent dividend on eight billion dollars.

The speaker declared that the administration and supervision by the States of this vast undertaking is becoming so tremendous a problem that the federal government itself will have to assume some of the burden. Already he said the government is taking it up along certain lines and considering it as a national issue not confinable within State lines.

MISS DAISY COONS
A JUNE BRIDE

WAS MARRIED TO MR. TILMAN STOUT OF THIS CITY.

Ceremony Took Place at the Country Home of the Bride's Parents, Mr. and Mrs. C. M. Coons, Last Night—Young People Will Make Jacksonville Their Home.

The marriage of Mr. Tilman Stout and Miss Daisy Mae Coons was solemnized Tuesday evening at 8 o'clock at the home of the bride's parents, five miles east of Jacksonville, Rev. G. W. Miller, pastor of Grace Methodist church, reading the ceremony. It was a pretty home wedding, all the appointments being charmingly made, and the marriage was witnessed by a large number of relatives and friends of the young people.

The house decorations were of white and silver. The marriage took place in the south room, where all the walls were hidden with greenery, before an embankment of potted plants and ferns. Leading to this embankment through two adjoining rooms was an aisle of white enamel pedestals with silver baskets of bride's roses and ferns. The pedestals were connected with festoons of smilax dotted with white roses. The pedestals became higher as the altar was approached, making a most beautiful effect. On either side of the altar were tall baskets of white lilies. Dotted here and there among the leaves and flowers were lighted candles, which further enhanced its beauty. The pedestal and silver basket idea was carried out throughout the entire home.

Music for the occasion was furnished by Mrs. Ransdall's orchestra, stationed on the porch to the east. The bridal party made their appearance, while the orchestra played the wedding march from Lohengrin.

The first of the bridesmaids to enter were Miss Ann Cleary and Miss Florence Rice. They wore gowns of white lace with white chiffon taffeta puffs, made entrain, short white veils falling from the back of the head, tied with pleated bands of tulle. They carried large bouquets of white roses, tied with silver cords. Miss Edna Stout, a sister of the groom, wore a gown of white crepe meteor and lace, with lace train. She wore a white veil caught up with lilies of the valley and carried a silver basket with white roses.

Miss Ethel Cloyd of Leami, a cousin of the bride, was honor maid. Her gown was of white crepe meteor, with overdress of silver and crystal lace, with silver tissue girdle and panel, the waist being made entirely of crystal and silver lace. Her veil was held with silver and rhinestone bands. She carried an immense cluster of lilies of the valley tied with silver cord.

The bride appeared on the arm of her father. Her gown was of a rich quality bridal satin, with chantly lace overdress, puffs of tulle, with girdle of pearls and pearl ornaments. Her dress was made with a full square train. Her long veil was caught up with a cluster of orange blossoms. She carried a shower bouquet of lilies of the valley and swansonia. Her only adornment was a diamond lavalier, the gift of the groom.

The groom appeared from the east room, accompanied by his brother, Mr. Ernest Stout, as best man. The vows were pledged in a most impressive manner, the ceremony being concluded with a sincere prayer for the happiness and prosperity of these young people.

The bride is the only daughter of Mr. and Mrs. C. M. Coons and has practically made this community her home. She received her musical education at the Woman's college and concluded her literary attainments at De Pauw university. She is a member of the Alpha Omicron Pi sorority and of the Presbyterian church. She belongs to a local organization of young ladies, the Eta Beta Pi, whose members have given the bride a number of elaborate showers.

Mr. Stout is the son of Mr. and Mrs. George W. Stout, 646 North Church street. He has always made Jacksonville his home. He received his education in the public schools and is a graduate of the high school. He is a member of the Knights of Pythias and of Grace Methodist church. For several years he has been a valued employee in the establishment of Frank Byrns. Both he and his bride come from families well known in the county, which attests the place and standing they hold among their associates.

After the wedding, hearty congratulations were extended, those in the receiving line being the bridal party and Mrs. C. M. Coons. She wore a gown of gray and silver crepe meteor, with trimmings of lace; also a corsage bouquet of Killarney roses and sweet peas.

A wedding collation was served under the direction of Messrs. Vickery and Merrigan. In the dining room the decorations were attractive, of white and silver. White roses formed the center piece, with white candelabra on the four corners and in the center of the table. As favors, wedding cake put up in neat boxes of white, with silver monograms, tied with white ribbons, were given. Misses Ruth Leach and Hazel Strawn served at the punch bowl, which was situated in the bowery annex.

Mr. and Mrs. Stout received a large number of beautiful wedding presents. They expected to leave last night for the north and after July 5 they will be at home to their friends in Jacksonville in a new house recently erected by the groom adjoining that of his father on North Church street.

The list of guests included a large number from Jacksonville. Those from other places were Mrs. M. E. Cloyd, Mr. and Mrs. Rowen J. Short, Mr. and Mrs. Joseph F. Vaughn, Mr.
